J.O. Wilson Elementary School

citizen, and every teacher can make a difference. Our school will become a school where instruction is driven by data, our history is rich and purposeful, and strong values and pride serve the entire school and the culturally diverse community.

Mission: Our mission is to provide a standards-based educational program in an environment that is nurturing, open, and responsive to the needs of our children, staff, and community. We are committed to the establishment of practices and programs that ensure the intellectual, physical, and emotional well-being of all.
